**ORDER REGARDING GENERAL  
PRETRIAL MANAGEMENT**

**BARBARA MOSES, United States Magistrate Judge.**

The above-referenced action has been referred to Magistrate Judge Barbara Moses for general pretrial management, including scheduling, discovery, non-dispositive pretrial motions, and settlement, and for report and recommendation on dispositive motions, if any, pursuant to 28 U.S.C. § 636(b)(1)(A) and (B). All pretrial motions and applications, including those related to scheduling and discovery must be made to Judge Moses and in compliance with this Court's Individual Practices in Civil Cases, available on the Court's website at <https://nysd.uscourts.gov/hon-barbara-moses>. Parties and counsel are cautioned:

1. Once a discovery schedule has been issued, all discovery must be initiated in time to be concluded by the close of discovery set by the Court.
2. Discovery applications, including letter-motions requesting discovery conferences, must be made promptly after the need for such an application arises and must comply with Local Civil Rule 37.2 and § 2(b) of Judge Moses's Individual Practices. It is the Court's practice to decide discovery disputes at the Rule 37.2 conference, based on the parties' letters, unless a party requests or the Court requires more formal briefing. Absent extraordinary circumstances, discovery applications made later than 30 days prior to the close of discovery may be denied as untimely.
3. For motions other than discovery motions, pre-motion conferences are not required,

but may be requested where counsel believe that an informal conference with the Court may obviate the need for a motion or narrow the issues.

4. Requests to adjourn a court conference or other court proceeding (including a telephonic court conference) or to extend a deadline must be made in writing and in compliance with § 2(a) of Judge Moses's Individual Practices. Telephone requests for adjournments or extensions will not be entertained.

5. In accordance with § 1(d) of Judge Moses's Individual Practices, letters and letter-motions are limited to four pages, exclusive of attachments. Courtesy copies of letters and letter-motions filed via ECF are required only if the filing contains voluminous attachments. Courtesy copies should be delivered promptly, should bear the ECF header generated at the time of electronic filing, and should include tabs for the attachments.

6. If you are aware of any party or attorney who should receive notice in this action, other than those currently listed on the docket sheet, please notify Courtroom Deputy Tamika Kay at (212) 805-0228 immediately.

7. Plaintiff is hereby notified that *pro se* parties may file pleadings, letters, and other documents with the Court by using any of the following methods:

- a. **Drop off** the documents in the drop box located in the lobby of the U.S. Courthouse at 500 Pearl Street, New York, NY, 10007.
